**Engineering Excellence**

# MKP GROUP

MKP Group consists of Milton Keynes Pressings, Ryeland Toolmakers and Maine Office. The Group operates from two sites in Milton Keynes, benefiting from a strategic location close to Junction 14 of the M1 motorway, and occupying floor space of 100,000sq.ft.

MKP was established as a family business in 1985, and after 30 years of growth and diversification now employs over 200 staff. From manufacturing press-tools, jigs and fixtures, high/medium volume metal pressings, welded assemblies and fine limit sheet metal components to the production of high-end storage and filing solutions, MKP Group now services a wide variety of sectors.

The Company's progress has been built on supplying excellent customer service and solving engineering and manufacturing solutions, whilst remaining competitive in a global market place.

## MKP GROUP CUSTOMER SPLIT 2018/2019

- Commercial Vehicles - 50%
- Automotive - 34%
- Office Furniture - 7%
- Others - 9%
